

## **Provider Bulletin**

June 2005

Welcome to ATR-I. ATR-I is Idaho's newest opportunity to expand choice, increase access and create more opportunities for substance abuse treatment. This bulletin is intended to generate your interest and commitment in becoming a new treatment or recovery support service provider. By joining an expanding network of providers, you'll enjoy greater exposure in your community and find yourself among a tremendous local network of caring professionals. We look forward to working with you!

### **Why should you become a contracting provider to ATR-I consumers?**

- Opportunity to grow your business
- Opportunity to join others in a supportive, creative, collaborative community
- Opportunity to be more engaged and effective with well-funded client recovery-oriented services and treatment plans
- Access to training, mentoring, expertise, technology
- Access to new choice-driven clients
- Clients have choice so this is your chance to promote your program in a free-market environment
- Joining the network of integrated services is easy
